6. Huckleberry Bakery and Café: Huckleberry's morning pastries and gourmet, rustic entrees served with the bakery's artisan breads are the stuff dreams are made of. Everything here, whether it is a cinnamon sugared doughnut hole or a hearty breakfast sandwich of sunnyside up, niman ranch bacon, gruyere and arugula, fits into one of two categories: scrumptious and/or delightful. *1014 Wilshire Blvd.; Santa Monica; (310)451-2311*
